Central American Resource Center of Washington (CARECEN)

CARECEN is a 501 (c) (3) community based organization which offers *legal, educational, housing, citizenship and civic participation programs* to the Central American/Latino community. It was established in 1981 to secure the rights of those Salvadorans and other Central Americans who fled from the wars, turmoil and human rights violations in their countries and subsequently sought refuge in the United States. Originally CARECEN focused its efforts on providing legal services to Central Americans who were facing deportation, as well as organizing to obtain amnesty for Central Americans refugees. Today, CARECEN not only offers various legal services for members of the Central American community, but it also offers community support services and empowerment activities to the greater Latino community. All these programs serve to promote the comprehensive development of the Washington's Central American/Latino community by responding to its changing needs as it develops roots in this country.

<http://www.conservation.org/xp/CIWEB/about/>

Center for Organ Recovery and Education (CORE)

The Center for Organ Recovery & Education (CORE) is a responsive, not-for-profit organization designated by the federal government to provide individuals an opportunity to volunteer for life through organ, tissue and corneal donation. A full-service agency, CORE devotes a significant portion of its resources to developing innovative educational programs and engineering research that will maximize the availability of organs, tissue and corneas. Through coordination of peer meeting groups and the availability of personal counseling, CORE continually channels its efforts to ensure that donor families receive ongoing support.

Medical employment opportunities available.

<http://www.core.org/04infemp.html>

Counterpart International

For almost 40 years now, our organization has worked with local people, helping them take responsibility for their own well-being. We have a unique range of experience, overwhelmingly successful. Because our development "technology" of "smart partnership," is about helping people and communities to help themselves, our methods work equally well on small islands trying to preserve their beaches, reefs and cultures against the encroaching modern world, and in post-industrial cities clustered around closed and rusting factories.

Employment opportunities available.

<http://www.counterpart.org/dnn/>

Center for Strategic and International Studies (CSIS)

For four decades, the Center for Strategic and International Studies (CSIS) has been dedicated to providing world leaders with strategic insights on — and policy solutions to — current and emerging global issues.

Employment and internship opportunities.

DC Department of Health

Delmarva Foundation

Delmarva Foundation is a national, not-for-profit organization dedicated to improving healthcare quality in over 30 states. As the Medicare Quality Improvement Organization (QIO) for Maryland and the District of Columbia, we work with the federal government, state agencies, private organizations, doctors, nurses, consumers, managed care organizations, hospitals, nursing homes, home health agencies, and academic institutions. Our quality improvement efforts include frontline interventions, training, informed choices for consumers, performance review, data analysis, and quality assurance. Our corporate headquarters are located in Easton, Maryland with other offices in Baltimore, Maryland; Washington, DC; Tampa, Florida; and Tallahassee, Florida. We are constantly seeking fresh approaches and new partnerships to accelerate quality improvement.

Employment opportunities

<http://www.delmarvafoundation.org/html/careers.html>

Development Alternatives Inc.

For 35 years, we have quietly gone about our business, building a diverse body of work comparable in scope and impact with any development firm in the world. But for all the momentum we've gained as an experienced firm with proven procedures and deep-rooted client relationships, DAI remains today what it was as a fledging company in the 1970s: innovative, alert, self-critical, and forward-looking. DAI provides social and economic development solutions to business, government, and civil society in developing and transitioning countries.

Employment and internship opportunities.

Inter-American Development Bank

A long-standing initiative of the Latin American countries, the Inter-American Development Bank was established in 1959 as a development institution with novel mandates and tools. Its lending and technical cooperation programs for economic and social development projects went far beyond the mere financing of economic projects that was customary at the time.

IQ Solutions

We provide research, technology, applications, and communications services that our public- and private-sector clients need to effect change and encourage healthy living. Embedded within each of our quality-of-life solutions are the mechanisms to overcome the cultural barriers that impact end-user outcomes. Our efforts have revolutionized approaches to understand, prevent, and treat illnesses that plague Americans today and to improve the health services' infrastructure for our Nation's most at-risk populations.

Lutheran World Relief

Every day in 50 countries, Lutheran World Relief works to combat the causes of poverty and the dignity it robs from people's lives. We advocate for fair trade that helps farming families earn a better income. We teach people to better care for themselves their communities and the environment. We teach people how to be less vulnerable to natural disasters. We advocate with and for them for policy change that more fairly represents them. We counsel them after manmade and natural disasters, and help them recover with material aid. We do all of this exclusively with partners from the communities we serve

Management Sciences for Health (MSH)

Management Sciences for Health (MSH) is a private, nonprofit educational and scientific organization working to close the gap between what is known about public health problems and what is done to solve them. MSH's commitment to improving public health is based on the belief that health, more than any other factor, determines a community's quality of life. To develop and prosper, community members must have access to basic health services. In addition, they must trust that these services will be available to them in the future.

Near East Foundation (NEF)

In a world where attempted solutions to international problems too often involve power, violence and domination, The Near East Foundation reflects a different approach. NEF employs the understanding expressed at its beginning that lasting global stability and peace arise from working hand-in-hand with those at the grass roots. NEF is about equality, partnership and ensuring that those with whom we work gain power over their situations. Thus NEF builds capabilities, communities, and friendships
